

---

*My mother being at H.E.A.R.T. Homes has allowed me to go back to work. It's comforting knowing she is cared for 24/7 and has meals prepared for her.*

*-Lauren, daughter of H.E.A.R.T. Homes resident*

*The H.E.A.R.T. Home is to my mothers liking, care is great, my mother is comfortable there.*

*She likes being able to knit and do puzzles. She likes to be able to come and go as she pleases.*

*-Janice, daughter of H.E.A.R.T. Homes resident*

# H.E.A.R.T Homes: Housing Elders At Residence Together Personalized Care

HEART Homes are 3 ranch style residences in the Peabody area specifically for low income elders who are safe to live in the community but need enough services to be eligible for nursing home care. Each HEART Home has 3-4 single bedrooms, a bedroom for a 24 hour live-in PCA, handicap accessible bathrooms, family dining area and a living space.

## H.E.A.R.T. Home Services include:

- 24 hour supervision
- Live in PCA
- Laundry services
- Skilled Nursing
- Occupational and physical therapy
- Telehealth services that provide activities like zoom **BINGO** and face to face video calls with loved ones
- Exercise groups
- Meals
- Access to your PACE care team
- Socialization
- Transportation services
- Behavioral Health and social work
- Medication support

*\* HEART Homes are smoke-free and pet free environments*

## Eligibility:

- 55 or older and meet clinical and financial criteria
- Able to participate in their personal care with assistance
